

Practical information

Opening hours

We are open from 1 April to 1 November 2026

Check-in and check-out times

The camping spot is available from 2 p.m. and check-out time is before 12 noon. For our rental accommodation, check-out time is 11 a.m. Would you prefer to check out later? If available, book a 'lazy check-out' until 6 p.m. for €12.50. Please discuss the possibility with us.

Nature camping card

We are affiliated with the Stichting Natuurkampeerterreinen (Natural Campsites Foundation), which means that a natural camping card is mandatory. Staying at a natural campsite means peace and quiet, small-scale but spacious, scenic surroundings and good but simple facilities.

Night-time peace

Quiet hours are between 10 p.m. and 8 a.m. Please ensure that the sound of your television or radio cannot be heard by other campers.

Parking

Park your car/motorbike/scooter in the car park once you have loaded and unloaded.

Swimming water and children

The campsite is surrounded by water. Therefore, please keep a close eye on your children! We urge children without a swimming certificate to wear a life jacket.

Electrical connection

Only for light use such as refrigerators and lighting. No air conditioning.

Bringing dogs

Dogs are welcome! Dogs must be kept on a leash and walked **outside** the campsite. Out of respect for your neighbours and nature, please always clean up after your dog. There is a dog walking area 1.5 km from the campsite.

Campfire area

In front of Grandpa Leo's greenhouse is a fire pit for general use. Adults are allowed to light this fire themselves. You can also light a fire at your own camping spot, as long as it does not disturb other campers. Make sure you have a fireproof surface. Wood-burning stoves and wood are available for hire and purchase from us.

Visitors

are welcome, of course, but please let us know in advance how many visitors/extra cars you will be bringing. Visitors pay €3.50 per day. In order to maintain peace and quiet on the grounds as much as possible, the maximum number of visitors is four, and it is not possible to hold a (birthday) party with us.

Barbecue

Enjoy yourself, provided that it does not cause any nuisance to fellow campers and does not damage the grass.
